Bracciolo con tavoletta destro e sinistro
Armrest with RH and LH tablet arm

WEB 951

Design: Giancarlo Bisaglia

Tutta l'essenziale raffinatezza di Web è valorizzata dalla versione in legno, declinata in tre finiture: rovere naturale o tinto nero e faggio naturale.
Web è disponibile anche con braccioli e corredata di pratici accessori, come gli agganci laterali tra sedia e sedia, la tavoletta scrittoio, il cestino portaoggetti.
La versione con braccioli in plastica è bilanciata per appoggio sospeso a bordo tavolo.

*Web is valorised by the wooden version, which has three finishes available: natural or black stained oak and natural beech.
Web is also available with armrests and is equipped with practical accessories, such as the lateral hooks between seats, the writing tablet and the basket.
The version with plastic armrests is balanced so that when the chair is upturned on top of the table, it rests snugly on the edge.*
